SHAKE WELL BEFORE USE

KEEP OUT OF REACH OF CHILDREN

CAUTION:

Contains enzymes. May cause eye irritation. May cause mild skin irritation after prolonged contact. Inhaling mist from this product could cause irritation to the lungs and mucous membranes. Ingestion could cause irritation to the mouth and throat. Individuals having known allergies, as well as those with respiratory disease or disorder, should avoid contact with this product. First aid: if in eyes, rinse eyes with water for fifteen minutes; if irritation persists, see a physician. If on skin, wash the product off the skin with soap and water. If irritation develops, see a physician. If inhaled, move to fresh air and avoid further contact with product. If breathing problems develop, see a physician. If ingested, drink water to dilute and call a physician. Induce vomiting only if advised by a physician.
